Career Objective

To build a successful career as a MERN Stack Developer by applying my skills in React.js, Node.js, Express.js, and MongoDB to develop high-quality web applications, while continuously growing in a professional and innovative environment.

Career Summary

Enthusiastic and self-driven Web Developer with practical experience in the MERN stack — MongoDB, Express.js, React.js, and Node.js. Skilled in building responsive user interfaces with React and JavaScript, as well as developing RESTful APIs and managing data bases with Node.js, Express, and MongoDB. Seeking an opportunity to apply full-stack skills in a challenging and growth-oriented environment.

Special Qualification

Dedicated web developer with practical experience completing real projects using the MERN stack — React.js, Node.js, Express.js, and MongoDB.
